### FOREWORD

THE INTERIOR OF R. S. OF PROPERTY AND ASSESSED.

It gives me great pleasure to place the third volume of the Descriptive Catalogue of the manuscripts contained in Shri Ranbir Sanskrit Research Institute, Jammu, in the hands of researchers and scholars. This Institute maintains some rare and valuable manuscripts and books on Indology and is visited by scholars from all over the world.

The work of publishing the Descriptive Catalogue of the manuscripts was started some twenty years back. The first volume came out in 1970 and the second three years thereafter. From 1973 to 1981 the publication work got held up due to the heavy engagements of Dr. M. M. Patkar, the Editor of the Catalogue. There was further delay in publication because of the sad demise of Dr. Patkar. I am however glad that the difficulties have been overcome and that the third volume is ready for use by the scholars.

The reference work of the said Catalogue will be complete with the publication of the present volume comprising the following sections:-

I take the opportunity to convey my thanks to Dr. Karan Singh Ji, Sole Trustee, Dharmarth Trust J & K under whose scholarly guidance the entire project was conceived and planned.

I am also thankful to Dr. R. N. Dandekar, Hon. Secretary, Bhandarkar Oriental Research Institute, Pune, whose timely and valuable help has enabled us to overcome the various difficulties threatening the completion of the publication. The proof of the state of the state of the state of the state of
